Our Vision

To build success stories for our students and to help them to achieve their dreams.

Finesse Overseas"

Finesse, established in year 2003, is driven by a passion to provide education and guidance to students. With 18 years of experience in creating future for students, Finesse has set a strong foothold in Overseas Education. With continuously upgrading technology and changing education scenario, students are opting to study abroad. Be it Engineering in technologically supreme institutions of Germany or Medical education in countries like USA and Canada, with the best health facilities in the world, Finesse has got opportunities for all.

Finesse caters students' requirements to get engineering or medical education in renowned universities of Germany, UK, USA, Canada, Russia, Ukraine, Belarus, Australia and others. The benefit lies in moderate tuition fees and experiencing living abroad to gain foreign skills. Acquiring these skills not only help in harnessing corporate requirements of the globally integrated organizations, but also increases employment opportunities in both India and abroad. We are not agents but CAREER Consultants who work undeterred for students' upliftment and career advancement. Finesse Overseas Education aims at fulfilling students' dreams of studying abroad and creating a niche in their careers. It provides genuine services all through the student admission process.
